I hereby inform IBSF that I have decided to resume competing. I understand that my name will be included in the IBSF Registered Testing Pool for unannounced Out-of-Competition Testing and that I must submit to IBSF my whereabouts as per Article 5.6 IBSF Anti-Doping Rules.

I hereby acknowledge that I will not be able to compete internationally before a period of six (6) months from reception of this notification by IBSF as per Article 5.11.1 IBSF Anti-Doping Rules (see below).

IMPORTANT

5.11.1 An Athlete in IBSF's Registered Testing Pool who has given notice of retirement to IBSF may not resume competing in International Events or National Events until he/she has given IBSF written notice of his/her intent to resume competing and has made him/herself available for Testing for a period of six months before returning to Competition, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations. WADA, in consultation with IBSF and the Athlete's National Anti-Doping Organization, may grant an exemption to the six-month written notice rule where the strict application of that rule would be manifestly unfair to an Athlete. This decision may be appealed under Article 13. Any competitive results obtained in violation of this Article shall be Disqualified.
