restricted nation at any point in the 14 days before their arrival. Foreign nationals (excluding legal permanent residents) may not enter without receiving a National Interest Exemption 212(f) waiver from the Department of Homeland Security.

The following countries are restricted: Asia/Middle East: China and Iran Europe: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland, and the U.K. South America: Brazil

Note: Transit through any of the listed nations (ex: flight lay-over) constitutes as having a physical presence.

U.S. Olympic & Paralympic Committee National Interest Exemption for Events and Training:

On August 11, 2020, DHS issued a National Interest Exemption notice to the USOPC for international athletes, essential staff, and their dependents participating in senior-level international competitions and training. The Government Relations office is facilitating the waivers through U.S. Customs and Border Protection.

Instructions for NGBs:

1. Complete the waiver request spreadsheet (included) for each traveler(s) at least seven (7) days prior to the expected arrival to the United States. Note: if the traveler(s) needs to secure a visa in addition to a travel waiver, submit the waiver request at the same time as the visa application. Send the completed request [myaniro@orda.org](mailto:myaniro@orda.org).
2. Within 72 hours of submission, the USOPC will notify the NGB of the waiver status. When clearance is granted, the USOPC will provide a confirmation letter as evidence of a 212(f) waiver.
3. Advise the traveler(s) to check the information on the U.S. Embassy website in the country where they reside. Each embassy may have specific instructions for individuals to travel on a National Interest Exemption. If asked, the traveler(s) should provide the USOPC waiver confirmation letter.

Additional Information:

The waiver, if granted, does not exempt travelers from inspection by U.S. Customs and Border Protection or exempt them from standard entry requirements, including visa, passport, and any other necessary documentation requirements.

Waivers are valid for multiple entries as long as the purpose of the trip is pertinent to the NGB/event organizer. Waivers are valid for 1 year.

CBP recommends limiting the amount of travel and following CDC guidelines to minimize exposure.
