EVENT INVITATION

ORGANIZATION OF THE EVENT
The competition is organized by the Olympia Bob Run St. Moritz - Celerina.

PARTICIPATION ELIGIBILITY
The competition will be carried out in accordance with International Para Bobsleigh Rules. All athletes must have a valid IBSF e-license issued by their National Federation.

It is the responsibility of the National Federation to enter athletes for event through the IBSF online system http://ibsf.sportresult.com. The deadline for submission is five days before the first Team Captain’s meeting.

Athletes must have eligible IBSF Classification to compete in IBSF Para Sport events. Information on classification for new athletes http://www.ibsf.org/en/downloads Para Sport Classification.

STATEMENT OF LIABILITY
All athletes, officials and other members of the National Federation who attend and participate in the event do so at their own risk. The organizer shall not be responsible for any loss or injuries incurred or suffered by an athlete or official in conjunction with the organization or staging of the event.

All athletes and staff are required to be covered by insurance against accidents deriving from the practice of bobsleigh and/or skeleton racing, including civil damages to third parties, for transport by ambulance, medical treatment and hospital treatment.
Prior to sliding, all athletes, coaches and staff must complete a track waiver at the Race Office.

COVID-19 REQUIREMENTS

General information:

- All registrations have to be completed before the entry deadline. Due to the COVID-19 situation, no further entries can be accepted after this deadline.
- The IBSF COVID-infection protection guidelines as well as the organiser’s protection guidelines must be strictly followed.
- For contact tracing purposes we may have to pass on contact information (incl. those of athletes, coaches etc.) to the resp. Swiss public authorities.

Subject to changes:

As everywhere, the Swiss COVID-laws and regulations are subject to changes. Therefore, so are the guidelines in this document. We will keep you updated about changes. Out of an abundance of caution we recommend that you ensure that all your bookings (travel, accommodation, etc.) are refundable or get a cancellation insurance.

Travel restrictions and quarantine:

Participants (spectators are not permitted) at the Olympia Bob Run St. Moritz - Celerina must respect the current travel and quarantine laws to enter Switzerland. These are available here¹ (incl. English, French and Italian versions). Please pay particular attention to the following:

1. The BAG-list is available here².
2. Under Swiss law, you would ordinarily be obliged to quarantine for 10 days.
3. However, the law makes an exemption for athlete teams who have to enter Switzerland for compelling professional reasons and whose visit cannot be postponed.
4. We recommend you complete the form at Appendix 1 in order to facilitate the crossing at the border under this exception.

Did you stay in a “country or region with heightened COVID-infection risk” as per the BAG-list?

Did you stay in a “high-risk country” as per the SEM-list?

1. The SEM-list is available here³. Please note that the list includes the countries that are NOT considered high-risk. In other words, if your country is not listed here, then it is considered to be a high-risk country.
2. Strict travel restrictions including outright entry bans may apply to travellers from these countries.
3. Please contact your local Swiss embassy in order to obtain an authorisation that you are exempt from this ban as a professional athlete participating in a professional sports event (this authorisation is called a “Laissez-Passer”).
4. In order to be allowed to participate at the event, you must hand over a copy of your Laissez-Passer authorisation. Without this, you will not be allowed to participate.

Testing:

PCR-Test: In order to enter the race, each participant must first undergo a PCR-test (one-off, to enter the bubble). The negative PCR-test certificate must be provided to the race organiser on 13. February 2021, at the registration desk of the local COVID-testing. The certificate must not be older than 72 hours. Every participant is responsible to organise this PCR-test certificate themself.

Local COVID-testing: Starting on 13.02.2021, in addition to the one-off PCR-test, every participant will undergo regular Antigen-tests locally. This so-called “event-test” will take place as indicated on the Schedule above (page 2 of this invitation). The exact timeslots will be allocated and communicated closer to date by the IBSF.

- Details concerning the local test centre location will follow in due course.
- The exact allocated timeslot of each individual team/athlete will be communicated after the entry deadline.
- As it is possible that some teams will be tested in the morning, we recommend that you arrive a day ahead of your test date because in case of a positive antigen-test, they will not have enough time to complete the PCR-test to double-check the result and they will therefore not be permitted to participate in the races of that week!

Accreditation:

Access to the track is only permitted with a validated IBSF-season accreditation. The accreditations will be validated at the local test centre as soon as the event-test result is confirmed to be negative.

Document checklist:

In summary, you will need to provide the following documents to the race organiser at the registration desk of your first local COVID-test:

- “IBSF Appendix 4: Questionnaire about SARS-CoV-2 Risk during IBSF Events” (available here);
- A copy of your negative PCR-test certificate no older than 72 hours;
- If you travelled from a “high-risk country” as per the SEM-list (see details on page 4), a copy of your Laissez-Passer;
- The registration form of the race organiser.

Questions?

Do not hesitate to contact us via covid19@olympia-bobrun.ch.

The organiser’s COVID-infection protection guidelines can be accessed here: https://www.olympia-bobrun.ch/links.
