Information concerning COVID-19

General information:

- All entries have to be completed before the entry deadline on 8 February 2022. Due to the COVID-19 situation no further entries can be accepted after this deadline.
- The IBSF prevention guidelines and the prevention guidelines of the organizer must be adhered to without exemption.
- Information about the handling of contact information: For contact tracing it might become necessary that we have to pass on contact information (athletes, coaches etc.) to the concerned authorities.

Travelling to Switzerland (status: 01.02.2022):

1. Entry form: If you are entering Switzerland by air or long-distance bus (coach), fill in an [entry form](#). The form can be completed from 48 hours before entry.
2. Covid-Test: If you are not recovered or have not been vaccinated with a recognised vaccine (Pfizer, BioNTech, Moderna, AstraZeneca, Johnson & Johnson, Sinopharm, Sinovac, Covaxin, Novavax), you must bring a PCR test certificate (72h) or a rapid antigen test certificate (24h) upon entering, and again after 4-7 days whilst in Switzerland. This test result must be reported to the canton within 2 days in the form of a test certificate or positive test result via [this contact](#).
3. In case of doubt, check your applicable covid-travel rules with the [online travelcheck](#).
4. Check the [current covid-travel restrictions](#) again prior to your departure to ensure there have not been changes.

New rules on entering Switzerland
From 22 January

- Present COVID certificate**
or proof of vaccination, recovery or a negative test* (3G)
- Complete entry form**
upon arrival by plane or coach**
- Foreign nationals:**
Check on [travelcheck.admin.ch](#) or [www.sem.admin.ch](#) if you are allowed to enter the country.
- There is currently **no quarantine requirement** when entering Switzerland.

* PCR test (not more than 72 hours old) or a rapid antigen test (not more than 24 hours old). No test requirement for children under the age of 16, people exempted from testing, medical emergencies, professional drivers, people transiting without stopping.

** No entry form required for professional drivers, people transiting without stopping.

Schweizerische Eidgenossenschaft
Confédération suisse
Confederazione Svizzera
Confederaziun Svizra

Access to restaurants and other public places:

Please note not all vaccines that allow entry to Switzerland also entitle you to enter places with a COVID certificate requirement in Switzerland (e.g. restaurants). Do you have a valid EU Digital COVID Certificate (EU-DCC)? This is valid in Switzerland. Do you have no EU-DCC but have recovered from COVID abroad or have been vaccinated abroad with a vaccine authorised by the European Medicines Agency (EMA)? Request a Swiss COVID certificate via the [National COVID Certificate Application Office](#).

Travellers from “high-risk regions”:

Teams with of persons who were in a state or area with an increased risk of infection according to the BAG list (see [here](#)) or a risk area according to the SEM list (available [here](#)) before entering the country are requested to contact us in good time. There are exceptions for teams of athletes who enter the

country for professional reasons without the possibility of postponement. It is therefore recommended to obtain a certificate from the organiser at covid19@olympia-bobrun.ch. In any case, all entrants are responsible for their own compliance with the BAG list and SEM list regarding possible current quarantine requirements or entry restrictions.

Covid-Testing: Event-Tests

Each participant must have a so-called “event test” carried out. This event test will be carried out before the first training session according to the IBSF schedule in the finish area of the track, in the mediacenter, (see picture below). The time slots for the individual teams/participants will be announced after the closing date for entries. Access to the site will only be allowed with accreditation. IBSF season accreditations must be validated. The event accreditation or the validation of the season accreditation will only be issued after a negative result of a COVID test, which has to be carried out at the venue during the respective allocated test slot.

Covid-Testing: Travel-Tests:

Tests to travel onwards after Switzerland must be organised independently. We recommend the below test centres. Be sure to book early via the links below, or otherwise there may not be any availability anymore.
