**IBSF does not tolerate any kind of discrimination**

The IBSF Executive Committee had taken notice of the interview given by Elana Meyers-Taylor recently in which she describes among other things her experience of racism within the world of sports. Contact has been made immediately with Mrs Meyers-Taylor in order to retrieve more information on the Bobsleigh related incidents. Furthermore, a Task Force has been established by the IBSF to further investigate into the accusations raised.

The IBSF condemns any kind of discrimination and will not tolerate any form of it.
